

5

Easy Ways ...

To keep your kids having fun and learning this summer

1

Math fact hopscotch – Practice your addition and multiplication facts while playing hop scotch

2

Sight word bean bag toss – Write your sight words in chalk and then toss your bean bag when you hear each word

3

Virtual Tutoring – Sharpen your skills throughout the summer with Moore Learning Adventures

4

Create your own Blog – Write about the books you read over the summer

5

Water Balloon Math– Label two hoola hoops odd & even. Write a math equation on each balloon. Solve. If the answer is even, toss the balloon in the even hoop. If it is odd, toss the balloon in the odd hoop.
